Cathedral in the Park Starts Soon!

Cathedral in the Park is our annual summer outdoor worship experience.

This Holy Eucharist offering takes place at **10 am* at Mt. Echo Park one Sunday a month** between June- August (dates and programming information listed to the right).

This year the cathedral welcomes the Rev. Dr. Suzanne E. Watson as she leads our outdoor worship service.

Come and join in the worship and then plan to stay and share in the fellowship after the service.

We provide sandwiches and drinks. If you wish to make a contribution, bring a side dish or a dessert to share

***Please note that this service is **in addition** to the 10 am service that takes place at the cathedral.*
