

All persons who wish to attend an in-person worship service (indoors or outdoors) will need to abide by the following:

- To comply with capacity requirements, people will be asked to register in advance of any service(s) they wish to attend.
- Face coverings will be required. If you do not have a face covering, one will be provided. Persons who cannot or will not wear a face covering are asked to continue to join worship online for the safety of others.
- Please check in with an usher when you arrive so we can confirm your registration and/or add your information for contact tracing.
- Any persons who are at risk or are feeling unwell are asked not to attend in person, but rather to continue with the online offerings in place. Do not attend if you are sick or have a fever, etc. Please join us by watching the online service from home instead.
- Please note that the parking garage is currently closed. Please use metered parking on the street.
- Physical distancing will be required when entering/exiting both the cathedral and the garden areas, as well as proper distancing when seated for service. Seating will be clearly established to allow for physical distancing.
- Bring your smart device to use to download the bulletin, use an online Bible, Book of Common Prayer, etc.

For additional information about attending, please the full list of FAQ's.
