Dear Christ Church Cathedral family,

We have completed our first round of Zoom interviews in our search for our next dean. With each step in this discernment process, we continue to learn more about our candidates and we continue to be excited about the next dean we will be calling to Christ Church Cathedral.

As we move into our next round of interviews, we ask that you pray for us and for our candidates. This is a step that we had planned for in our original timeline. We are still on target to welcome our next dean by late summer/early fall of this year.

Faithfully,
Your Search Committee,
