

Update from The Search Committee

June 4, 2021

Dear Christ Church Cathedral Family,

Your Search Committee continues to whittle down our list of exceptional candidates to find the next dean for our cathedral. Since our last update, we have executed a second round of in-depth interviews via Zoom with our remaining candidates, and from that process, have determined a list of finalists. We are meeting in-person with these finalists and continuing to learn as much about them as we can to make the most informed decision possible.

We are getting close! As a result, and with God's help, we believe we are still on track to have a new dean here by late summer/early fall.

Please continue to keep us in your prayers, and please pray for all our candidates who have shared so much, and taught us so much throughout this process.

Sincerely,
Your Search Committee
