

Help Families This Holiday Season!

Every holiday season, IHNGC is fortunate to receive generous donations from community members, which help us continue our mission of helping families who are experiencing homelessness. Due to COVID and construction, we are not having our Holiday Workshop for families to pick out toys for their children. Instead, here are some great ways you can help brighten the holiday season for families at IHNGC:

- **Holiday Gift Giving:** One of the great joys of the season is finding that perfect gift for someone who means the world to you. You can help ensure that Moms and Dads are able to purchase something special for their kids by donating gift cards! **We are asking for \$25 or \$50 gift cards from Target, Meijer, Walmart or simply Visa gift cards.**
- **Holiday Family Time:** Spending time together as a family is important at all times of the year and especially during the holidays. You can help ensure families have opportunities to spend quality time together by sharing a meal or experience together. **For a family meal, we are asking for \$25 gift cards to Kroger, Frisch's, Gold Star, or McDonald's. For a holiday family experience, we are asking for gift cards for Newport Aquarium, Cincinnati Zoo, and AMC Theatres. For transportation to visit family or friends, we are asking for Lyft gift cards.**
- **Make Christmas Morning Bright:** Every year, we give our guests the opportunity to stay with family or friends over Christmas Eve and Christmas Day. Those families who do not have someone to stay with remain at the hotel. You can sponsor a family by covering holiday hotel and food costs. **Sponsoring a family for one day is only \$170, or you can sponsor a family for the full holiday for \$510.** Celebrating the holiday safe, warm and together means the world to the parents and children in our shelter and your generosity can make this possible. Thank you!
