

Virtual Angel Tree

This year HER* Cincinnati (formerly Cincinnati Union Bethel) has set up a virtual angel wish list for residents of the Anna Louise Inn and the Off the Streets program. Go to [Amazon list](#) of items needed for residents of both programs.

In addition, donations of winter hats, scarves and mittens are being collected for the women living at the Anna Louise Inn. Bath products are being accepted for women in the Off the Street program. These donations are to be dropped off or shipped to the Anna Louise Inn at 2401 Reading Rd, Cincinnati (45202), again by December 14.

Want to do more? Volunteer to help organize the gift bags for the residents of the Anna Louise Inn and the Off the Streets program. Contact [Katie Butler](#) for more details.
